Good day

Thank you for contacting the Cape of Good Hope SPCA.

The collection has been scheduled for [DATE 15/08/2025].

Unfortunately, we cannot commit to an exact time due to the nature of our operations. Our aim is to always attend to animal collections as speedily as possible. However, this is not always possible due to the number of emergency cases we receive – emergency cases always take priority.

Please also take note of the following:

1. Once surrendered, the owner has no further rights to the animals and the SPCA is then given full rights to decide on their future.
2. The SPCA does not provide any updates on these surrendered animals to their previous owners after they have been surrendered.
3. The SPCA unfortunately cannot guarantee that an animal will be put up for adoption after surrender and can make no promises in that regard.

The above are unfortunately in place due to the fact that we take in up to 24000 stray and surrendered animals per year, which is a near impossible task. There are simply not enough good homes out there for all these animals.

Thank you for your understanding and patience.

Kind regards

Teah

You are welcome to bring the animals into the SPCA and hand them over to us.

There is no cost involved if you bring an animal to the SPCA, however, donations are always appreciated.

We are situated in Grassy Park, on the corner of 1st Avenue and First Road.
