Adequate shelter available: Yes
Animal/s in good condition: Yes

Upon arrival, Inspector Davids and I returned to the property to conduct the follow-up inspection. The owner allowed us access to the property to conduct the inspection.

The dog appeared to have gained weight sufficiently, there was water available, adequate shelter, the living environment appeared to be reasonably clean and the dog has adequate space as well.

I gave the dog Fibrinil and Deworm tablets and due to the owners compliance, the matter can be finalized.
