Subject: Threat Made Towards Cat – Golf Terrace Complex, Gordon's Bay

Good Afternoon,

I am reporting a message posted in the complex's residents' WhatsApp group which I believe constitutes a threat to harm a cat.

The person who posted the message is:

Name: Florita Howley

Address: Golf Terrace, Gordon's Bay, Unit 19

Contact number: 078 406 1651

In the message, she states that if a certain cat continues entering her flat, "he or she is gonna end up somewhere you don't want to know." This is a direct threat implying possible harm or abandonment of the animal.

Another resident in the group also expressed agreement with this statement, but I am unsure of her unit number.

I have attached a screenshot of the original message for your reference, which includes the date and time it was sent.

Given the nature of the threat, I believe this cat could be at immediate risk and I request that the NSPCA investigate this matter urgently to ensure the animal's safety.

Thanks

Michelle
