Good morning, Thank you very much for your reply.

A question, does the statements have to be affidavits, this could be cumbersome as people will have to go to SAPS, or commissioner of oaths and could delay the complaint being investigated or deter witnesses from providing the statement. This matter has already been referred to Cape Nature and supported by our local councillor.

Please confirm if you are satisfied with witness statements? which will include their full name, address and ID numbers?

Many thanks
Nafisa

Hi there

Please ask her for the witness statements, and advise that we will have to send the complaint to Cape Nature for investigation. Depending on what the statements say.
