Please describe the concern you have

My neighbor across the road from me, her dog had puppies, they clearly cannot afford to feed mumband pup. The puppy is always in the road and missed being brunette over a few times,. The other day another neighbors child picked up the pup and dropped Jim from a height, little pup cried a lot as he probably got injured due to a concrete pole in the way. I addressed this with Kaylee Jacob's, the owner abd warned her to take better care of her pets. Today my other neighbors dog got outbox the yard and mauled Kayleighs pup.. I tried to intervene but the big dog had the pup clenched in his jaws. I must stress that this incident has upset me please investigate this urgently
