| Comments:       | This dog is not abandoned as the respondent called us on the same day that we left the NTC. I returned her call and explained that Insp Davids is on sick leave. Shanaaz laughed at the claims that the dog is abandoned and said we are more than welcome to come do an inspection. Because of the inspector's busy day tomorrow, I suggested to her that we come on Friday and she said after 2 pm would be perfect. |
