Please describe the concern you have

It seems that these people are breeding German Shepherds. Please check if the living conditions of these dogs are acceptable. There is a shed on the left of the property which dogs are kept in but they might not be suitable.

FYI: I have logged another case for the house next door.

This property is in Dyke Road, Penhill. It is the last house on the left. Take a left from Laurimer (main road running up Penhill).

The house numbering system is a mess, which is why I can't give the actual house number.
