Subject: Puppy skin and bone
Good day

Can you please come and check on a puppy looks like a black doberman please he is just skin and rib cage. That pup must get 3 feedings a day but they dont feed him. They are not approachable neighbours. Breaks my heart to see this pup in this condition.

The adress is 32 Civit crescent Langeberg Ridge Kraaifontein.

I gave them a water bucket 2 days later the bucket was lying broken in the yard.

Kind regards
Martinette
