Subject: Golden Arrow bus hit dog, Gimini Way, Ocean View.

Good day inspectorate,

This afternoon just after 16.00 a Golden Arrow bus hit a dog in Gimini Way, Ocean View.

According to witnesses, the bus hit the dog, didn't stop and drove over it. The back wheel caused to drag the dog and split it in half.

A lot of people have seen it happening. The details of two witnesses are as follow,

I do understand that the dog shouldn't have been in the road, but this driver should be held accountable for the way he is driving.

Please find attached the video of the dog and the pictures of the bus number.
