Comments: Hi Werner

Detective Sgt Gwarube was here last week about this matter. His cell number is 083 937 2269.

He needs the following:

- Affidavit as to how we got the video footage. Perhaps check with the complainant if they will be willing to do an affidavit.
- Vets report – I assume no vet examined the cat?
- Affidavit from Ayanda. Apparently, she was with you.

Please attend to these as a matter of urgency and confirm once done.

Thanks.

Kind regards
