Postal Code:	7808

Inspector:	JULIAN VAN DER ZANDT

Type:	CALL RECORD - MADE
Follow-Up Date:	2025-09-22
Comments:	I have called the respondent to set up a schedule and he advised they are no longer on the premises. I also called the complainant and she advised they are gone as well. Please advise if I can close the complaint given that the concern was observed earlier this year but was only reported much later in the same year. We have been to the property throughout this year and the complaint was finalized because no concerns were observed. Supervisor to advise please.
