Comments:	I got the owner at the shop on his way somewhere. He told me that he took the one dog to a veterinary clinic but he could not afford the consultation . He also has not complied with plqcing the dogs on running chains. I am not sure if we should apply for a warrant or give the owner as extension he is unemployed but I doubt he will be able to comply. I asked him if he will surrendered one or two to alleviate the finacial burden but he doesnt want to. Please can supervisor advise.
