Comments:	This morning at 08h56, myself and the Chief contacted the complainant, Lizl to get clarity on this case. She informed us that the emails that we have been receiving from this other lady was unnecessary and she told the lady that she understands the investigation of the SPCA and she accepts it . We are awaiting for the vet's report to be converted into an affidavit, I will put the docket together in the meantime and then submit the docket as soon as we get the vet's report.
