Hi Jaco

Thank you for this. Just a reminder that I am on leave tomorrow and Monday. Would the purpose of the fine negate the docket or are we still proceeding with it? And the affidavit was signed today by Dr Martin so that is sorted.

Hi Rudi

If we give a fine, then we cannot prosecute. You decide what you want to do, as it is your case.

Kind regards

Hi Jaco

I think it would be better if we issue a fine because there is too much information missing and a lot of time that has lapsed in between.

Let me know what you think of this.

Hi Rudi

Please then arrange for this to happen with LE. You might have to go with them.

Kind regards
