Comments:	I called the owner to find out when I would be able to come to her to hear her account of events and she said she will only be home after 6pm. I then asked the Chief if we could do the interview with the owner around that time and he said it would be best to do the interview and question the owner via the phone. I will call the owner and find out when the best time would be for me to call her and get the necessary information.
