Comments:	The owner came to the SPCA to show proof that he took the puppy to ARO as requested . He said he was told that there was nothing wrong with the dog and they just administered dewormer and vaccination, which I saw. The owner also said he will bring the proof that he took the dog back for vaccination as requested.
Captured By:	We can visit this property in a few weeks time to check the condition of the puppy . RUDOLPH PHILANDER 2025-09-11 16:34
