Comments:	I phoned and spoke to Lydon. He explained that after he spoke with Control that he spoke to people in the surrounding area and found out that a woman that stay in the next street park her car at this property at night so she give the dog food and water but his concern is that in 2 weeks, the new owners will move in and dont knowif they will want to keep the dog. After discussion with Inspector Philander, I told Lydon that I will phone him for an update on the matter
