Comments:	Upon arrival, we spoke with Kervin's brother who informed us that Mr Kervin was not at home, he went out with his 2 dogs. He didn't open for us to access the property. We observed from outside one white and brown pitbull roaming around the property and he highlighted that it was still not yet sterilized. The living condition is still still tge same as per previous visit. We informed him that we will be making our next visit tomorrow.
