Comments:	I spoke with the owmers girlfriend and she informed me that she took the dog back to PDSA but they would not help her as she did not have the money. I spoke with Rudi and he said that we can give another 48 hours extension till this thursday and if the dog has not been xrayed and blood samples taken then we will have to get a warrant as the owner does not want to surrender. I will follow-up thursday to check if they have complied.
