Good Afternoon,

Thank you for getting back to me so swiftly. I am not staying in the area anymore but my aunt is still living there and she's in the community groups and will be able to gather more information. Her number is 061 460 6384 and her name is Kulsoem.

Hope we find the culprit and possibly save other animals from experiencing the same cruelty.

Thank you for all that you do for the animals!

Kind Regards,
Nafiesa.

Subject: Cat serial killer in Hanover Park

Good Morning,

I trust this email finds you in the best of health and spirits.

I'd like to inform you about an incident that happened in Hanover Park where 5 cats were found with their heads cut off in Lansur Road, see image attached. Someone in the neighborhood found the bag with the cats in.

This is absolutely horrific and psychotic behavior. I am an animal lover myself and am absolutely appalled by this... I no longer live in the area but my aunt still does and she shared it with me because it was circulating in their community group chat..

We are not sure what to do about this but the sick individual definitely need to be brought to book .
Please can you assist us.

Kind Regards,
Nafiesa.
