Subject: Case of neglect

Good afternoon,

I would like to report a dog that has been seriously neglected. She is an adult boerbull. She is covered in ticks. All over her ears, legs and thighs. She is infested with them, so there will be fleas too. She is also surrounded by flies. She lives outside and is never with the family. Always just lying in the sand in the garden. It is just awful and so sad walking past the house everyday seeing her the way she is. She deserves love, not this.

The house is number 24 Mervyn Road, Fish Hoek.

But the entrance used is around the corner of the house, Lancelot street.

Regards,

Kyra
