Comments:	At approximately 10h00, I have received a call that was coming from thr responded, he mentioned that, it is not a first time for the animal inspectors to come to the property, he further told me that Inspector Siviwe from AWS was at the property last month, he mentioned that, he found nothing wrong on the cats, he mentioned that, he felt like he has been mistreated. I told him that, Inspector Sivuyile is not working for SPCA, that simple means, we as the SPCA we still need to conduct the inspection on the animals kept into the property. Then the responded told me that, he will request a day off from his boss, he promised to get back to me tomorrow. I will follow up on him by Thursday if we didn't get a call from him.
