We appreciate your care and concern for animals. Where there is an animal welfare concern and contraventions in terms of the Animals Protection Act 71 of 1962, we will gladly investigate the matter. However, we require a physical location of where the animal can be found (exact address and/or GPS location and/or directions). Please confirm the street name and area as we do not pick up 'Peterson street' in Wallacdene however there is a 'Petersen street' in Eikendal aswell as Bloekompos. We look forward to receiving further information from you so we can attend to the matter and assist the animals. Kind regards Teah
