Subject: 3 Yellowwood Westlake

Hi there

I have reported the owner, Richard, of this unsterilised female pitbull, from 3 Yellowwood/Geelhout, Westlake.

The lactating bitch now has a second litter of pups.

I have previously reported this case to Law Enforcement on the grounds of being unspayed! Case No 1002641947, but there has been no outcome. I was told by LE that it was escalated to SAPS - not sure what this means.

As one can see this poor dog is not in good condition. She roams freely trying to find food and gets chased away by many. She is ravenous - we did feed and deworm her on Tuesday.

Sadly, Richard is quite hostile towards us, due to our contacting LE.

Your assistance would be appreciated.

Regards

Julie Marzio
