Inspector:	YAASEEN ABRAHAMS

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-09-20
Comments:	I messaged the respondent in relation to the new concern raised. The respondent understands the need for us to investigate the concern but is frustrated with the complainant apparently harassing him. Therefore the respondent requests that we come rather do an in person full inspection to clear everything up, however the respondent is only home on weekends. Therefore, the supervisor has agreed that the inspection can be done on Saturday, and the responding inspector is to please bring the dog in for sterilization as well.
