Subject: RE: CoGH SPCA: Piggeries Rondberg road needing checking

Hi

So, on these 3 properties you have no access.

PR1 sells pigs and sheep.

PR 18 you can see the animals as you drive past , which clearly indicates the state in which they live. Quite an aggressive chap.

PR 22 some one drove in there about 2 months ago and was horrified by the gestation crates and the stench thereof. Very difficult farmer.

I know gestation crates were supposed to be banned 2016, moved to 2020 and still legal?

Regards

Good day

Thank you for contacting the Cape of Good Hope SPCA. We acknowledge receipt of your email.

Kindly advise what the concerns are for the property at PR1 and what conditions the animals are kept in.

We look forward to hearing from you.

Kind regards

Teah

Subject: Piggeries Rondberg road needing checking

Good Day

Please could an inspector check on these 2 piggeries when in the Rondeberg area or proximity? PR 1 AND PR 22 LOCATIONS ATTACHED.

PR 22 He is a pig, sheep, cattle farmer, but the gestation crates are the concerning issue. The reports of the stench coming out of there are most unpleasant and perhaps it's time to investigate this. Poor souls!

I have sent a screenshot of the location and the number of his property PR22.

There is also a piggery and sheep farmer CORNER Klein Dassenburg and Rondeberg roads. PR1 ATTACHED LOCATION with X

Then PR 18 A filthy scrap with farm animals living in amongst the filth and scrap.

So, all 3 locations in Rondeberg road just off N7.

Please advise and please keep me completely anonymous as I live in the area.

Regards

Lynn
