Subject: INADEQUATELY HOUSED CAGED BIRDS

Where do I complain about the I'll treatment of caged birds?

I live behind a Chinese restaurant at 26 Aerial road, Sanddrift, Milnerton, which has several caged birds, from what I can hear and which has recently put a cage of birds outside in the restaurants yard, without adequate protection from the elements. These birds screech all day. That's probably why they put them outside.

This afternoon I looked over my back wall to see what had been screeching for hours and saw a bird cage with reddish birds in it. I have no idea if the sun reaches where they have been left or if the strong wind affects them. Kindly help!?
