**Please describe the concern you have**

I would like to request a welfare check on two dogs at 11 Ravens Manor, Parklands, Cape Town. We have been living next to this property for the past two years, and during this time we have observed ongoing neglect.

**The concerns include:**

The dogs are left outside almost every weekend with no supervision, often for days at a time.

They appear to receive little to no food or water unless neighbors, including ourselves, step in to provide it.

They sleep outdoors all year round with almost no shelter.

The yard is only cleaned of feces approximately once every two months.

On several occasions, the dogs have escaped the property and been found roaming the streets. Most recently, at 3 a.m. this morning, my wife picked them up 3–4 km away.

Given the consistent neglect and unsafe conditions, we are very concerned for the dogs' wellbeing and kindly ask if an urgent welfare check can be carried out.

Thank you for your assistance.
