Subject: Re: Dog being held in a garage

The reason how I saw the dog is because when my Mom and I go for walks in the road I saw this man's wife in the garden with the dog. That's how we saw the dog. But they only let the dog out of the garage very little. The dog is most of the time cooped up in the garage. It's bad because the dog can go blind in the garage.

Good morning,

I would please like to remain anonymous.

My neighbour next door to us is keeping their young dog in the garage where the dog doesn't receive sunlight.

This has been going on for the past two months now.

I feel that this is abuse and that the dog should be able to run freely.

This man is very cruel towards animals I don't know why he owns a dog if his going to treat the animal that way.

All I know is that the dog is young like a puppy and is black and white in colour.

Please do something to save this dog.

They live at number 33 Yellowwood Road Wildwood Weltevredden Valley Colorado Park in Mitchell's Plain.

Thank you for your help.

Regards,
L. Isobell
