Good day, Dione

Thank you for bringing this matter to our attention. We acknowledge receipt of your email.

I have spoken with Gail, who informed me that the dogs have stopped fighting. Her son is en route to separate the dogs, and it appears that he is unwilling to surrender them. Therefore, we will need to classify this situation as a cruelty case so that the inspector can follow up on it. Additionally, it may be necessary to provide educational resources should they be required.

Regards,
Peace
