Comments:	Accompanied by insp. A.Ngcofe we met with the owners mr and mrs stubbs. Mr stubbs in particular was aggressive upon our arrival. We informed the owners as to why we were there and the nature of our complaint. Upon our inspection we observed old feaces within the lounge of the house with old papers and food laying around on the tiles. Upon inspecting the yard area we observed a build up of old feaces tucked away under pot plants aswell as the bird enclosures appeared to have an build up of old droppings of which some were seen within the food and water bowls of the bird enclosures. Mr and Mrs Stubbs advised us they had just cleant the cages , however still appeared to have a build of old droppings. Complaince notice was issued to ensure living condition improve within 5 day period and to ensure they provide vet treatment for their ainmal with in 5 days.
