Subject: Re: Chained Puppy

Good Day

I see that you were here last week, the puppy was loosened the Sunday the 14th after you have been here...

And after that not again, I'm not trying to cause trouble or problems but after they were alerted by people that you are coming again, they trying to cover up, evens cleaning before the inspector arrived.

But thank you for all the concern and that you came out, my God bless.

Kind Regards
