Please describe the concern you have

Good evening,

I hope this message finds you well. I am reaching out to request urgent assistance from the SPCA regarding ongoing issues in my street, Umongameli Road, Fairdale.

At the beginning of the street, the occupants own five dogs that are often left to roam freely. These dogs bark aggressively and have attacked pedestrians passing by. One of the dogs appears to have visible sores and, overall, they seem neglected.

At 29 Umongameli Road, the occupant also neglects his dogs. They are confined indoors all day, never taken out for exercise, and are left howling and barking throughout the day.

These situations are causing distress to both the animals and the community, and I kindly request that the SPCA investigate and take appropriate action.

Thank you for your attention and assistance.
