Please describe the concern you have

Hello, I'd like to report a serious case of animal hoarding and neglect at 25 Saasveld Street, Vredenberg, Cape Town, 7530. There are around 50 cats and 1 dog living in filthy, overcrowded conditions. Many of the animals are sick, underfed, and not being cared for properly. There are recurring deaths and the dog is hated. Please investigate urgently. They're not vaccinated or fixed, so there are multiple litters a year. The place is also infested with fleas. Newborn kittens are crawling with them.
