Good day, Trijntje

Thank you for contacting the Cape of Good Hope SPCA. We appreciate your care and concern for animals.

Where there is an animal welfare concern and contraventions in terms of the Animals Protection Act 71 of 1962, we will gladly investigate the matter. However, we require a physical location of where the animal can be found (exact address and/or GPS location and/or directions).

Without an exact location, we are unfortunately unable to investigate the matter.

Please provide us with the exact location so we can dispatch an Inspector to investigate the mentioned concerns.

We look forward to receiving further information from you so we can attend to the matter and assist the animals.

Thank you for caring.

Kind regards
Peace

Subject: Video from Trijntje de Jonge

Good day Inspectorate,

We had a few complaints about a thin dog behind a shop at Hydra Avenue, Ocean View. We had a look and talked to the owner. He didn't let us in the yard but told us to look over the wall.

The dog is thin and the owner said there is a kennel, but we can't see it from where we were standing. The guy that is running the school in the same building says the dog sleeps at the back door and there is no shelter.

The yard is full of feces.

The shop is called Hydra Avenue, it's opposite the High School On Hydra Avenue.

Kind regards,

Trijntje de Jonge
