Postal Code:	7570
Date:	2025-09-21
Time:	12:44
Inspector:	LWAZI NTUNGELE

Type:	COLLECTION – OTHER > SEE NOTES
Follow-Up Date:	
Comments:	The kittens in question are not stuck but are free roaming on the roof which when you approach they run into the duck of the property. The cats belong to the complainant which I advised that animals can still move around and are not stuck she will have to wait till they are able to get down themselves or hire out a cat trap to catch them
