Comments:	Upon arrival at the location, I found a X breed Male dog, fair body condition tied to the fence by its leash. A man came up to me and introduced himself as Kurt Cornelius, owner of the dog. I asked him why the dog is tied up and he said they are waiting for food from someone and the dog , Snowy, sometimes charges the people jogging past. I told him that is not acceptable and he must keep the dog by him rather while he is waiting here, and not tie the dog up. Kurt agreed and complied, letting the dog loose and he promised to keep the dog with him at all times when there. Case can be closed, NFA
