PLEASE INSPECT AS PER THE EMAIL RECEIVED - I hope this email finds you well. For some context, we have contacted you a few times prior to me reaching out now, that too with the same issue. My neighbours have not heeded to any previous warnings, and me and my family cannot take it anymore. They have 3 big dogs and they refuse to clean after them. Its highly upsetting that they chose to have pets, yet they do not play their part to look after them. As a result, there is a strong smell coming from their backyard which now affects my house (as they live behind us). Its so bad now that we are hesitant to open our windows.
