Comments:	I attempted to contact the respondent regarding the sterilisation of the cats, but she has not responded. I am closing this collection for now. If she calls back requesting assistance with the sterilisation, please advise her that she will need to bring the cats in herself. She is welcome to come to the Inspectorate building to obtain the green cards and pay the fee of R350.00 per cat for sterilisation. Also inform her that we are no longer able to collect the cats, as we do not have a dedicated person for sterilisation collections.
