Subject: Unhealthy condition for dogs.....6 Gretna Green, Summer Greens

Good morning,

There is a female pitbull living at this property and has 3 puppies. (2nd litter) The smell from the poo that is never picked up is overwhelming.

Also they obviously breeding as there is no male. Perhaps the inspector can educate regarding sterilization and the by laws. I would call Law Enforcement but unfortunately they will inform the people who complained if asked. It's a risk I cannot take.

Many thanks in advance,

Best Regards,

Tina
