Comments:	Apon arrival at the property, we met with the owner who gave us access to the property, we informed him about our visit, his response was, he doesn't have a problem to get his dog sterilized however due to financial constraints its impossible for him to get his dog sterilized so he would like to request some help from the SPCA to sterilize his dog and he is willing to give a donation . An arrangement has been made with SPCA to fetch his dog and sterilized it and bring it back .
