Comments:	I recieved a whatsapp call from the respodant who was very rude and said he is aggitated that he must prove that he has had his dog sterilized. I tried to explain to him that given the nature of the complaint and that we had agreed on sterilization being the best course of action for the well being of the female dog, proof of steri if not done by us would be necassary. I will give him till the end of the day to provide this and set up a follow up date accordingly to either close case or take further steps.
