Follow-Up Date:	2026-01-05
Comments:	I have called Mishka the caretaker, she told me that she goes to the property at least once a day and spend an hour with dogs and takes one for a walk. I then requested for an inspection, she told me that she is dropping her dad at the airport and the owners are paying her for looking after the dogs during their absence. Since she is on another side and I must carry on with my cases, we made arrangements for Monday between 10 and 11. I must call in the morning to confirm.
