Type:	CALL RECORD - MADE
Follow-Up Date:	2026-01-07
Comments:	As I was on the way to the accused address, I called the complainant to find out if her husband was at home, she told me that they are still on holiday. They will do their best to come the SPCA on Wednesday then we can meet. The reason for the meeting is to issue a NTC to him for stabbing the dog as the owners are accusing him of stabbing the dog for no reason but they haven't provided affidavits. The accused are also claiming that the owner set the dog on them.
