Comments:	I met with Mr Martin Gouws and his partner Ms L. Lubbe, who completed the Claimant Form in my presence. ID #8807130120082. Contact number 0721797508 and email address lojandrie@yahoo.com. I explained to both of them the procedure with regards to applying to Cape Nature for a Permit for the Leopard Tortoise - they have already submitted the forms to Cape Nature - I mentioned to them to also apply for a Transport Permit and they said that they would do that. I explained to them that we will keep the Tortoise, which they name Skilly, until the permit is either approved or not approved by Cape Nature. I also explained to them that we have a Memorandum of Understanding with Cape Nature to release tortoises as per Cape Nature instructions in the permit is not successful. Follow up in a few weeks with regards to permit application as this permit could take up to 8 weeks to be finalised
