Good morning,

Please see below email that I sent to AACL. The owners are still not back and the dog is crying all day and night. A Neighbor called SPCA but dog is still crying. Please urgently check up on them.

Kind regards
Maike

Good day,

I hope you are well.

The owners of 4 Atherstone way in Edgemead are away and their dog and cat are left alone. The dog is crying all through the night. The cat was wandering around in our street until a neighbour took her in. The direct neighbour's say that this happens every year during the festive season .
Could you please check up on them?

They also don't seem to have fresh water.

Kind regards
