Good day, Riekie

Thank you for contacting the Cape of Good Hope SPCA. We appreciate your care and concern for animals.

Where there is an animal welfare concern and contraventions in terms of the Animals Protection Act 71 of 1962, we will gladly investigate the matter. However, we require a physical location of where the animal can be found (exact address and/or GPS location and/or directions).

Without an exact location, we are unfortunately unable to investigate the matter.

Please provide us with the exact location so we can dispatch an Inspector to investigate the mentioned concerns.

We look forward to receiving further information from you so we can attend to the matter and assist the animals.

Thank you for caring.

Kind regards
Peace

Good morning.

May you have a blessed 2026, and I also want to thank you for everything you do for animals in Cape Town.

Please look at a reel that was shared on Cape Town news, info and updates that I tagged you on. It's about live chickens being taken into a take aways shop in Grassy Park, Farm stall. I don't know how to share it with you, sorry.
