Tragically, my aunt's house recently burnt down, and she has lost absolutely everything. She is currently displaced, has no transport, and is entirely without financial resources due to this disaster. Because of this, she cannot afford the standard collection or surrender fees, but she desperately needs to get her cats to safety as she can no longer shelter or feed them. We kindly request that the SPCA assists us with an emergency collection and waives the associated costs under these compassionate, unforeseen circumstances. Collection Details: • Number of cats: 2 • Current Address for Pick-up: 52 . maartlelie crescent rosendal delft. • Contact Name & Number: Fatima Issacs (063 218 8925) Please let us know as soon as possible if an inspector or collection vehicle can assist us. Kind regards, Shana Abrahams.
