Follow-Up Date:	2026-10-05
Comments:	Complainant called after noticing a missed call from us. He advised that he is not the person at home today. He further stated that the property does not have a doorbell, making it difficult to alert occupants when someone is outside. The complainant confirmed that the 083 number is the number on which he received the missed call, but he did not have the phone with him at the time. It was also established that the 2nd contact number on the case was captured incorrectly as 082 578 4801 and should be 082 579 4801. His wife, Shereen (084 507 3258), has been added to the case as she is the person at home today and should be contacted regarding the matter.
