The dog gave birth at my house cause she was sleeping outside, Infront of my gate. The neighbour has no interest in the dogs. Je told me to do what ever I want when I told him that I'm going to call the SPCA. I really need this dogs removed from my property cause I have 2 dogs of my own and I'm scared that they'll get sick as well

Good morning|

Please note that we cannot remove someone's animals without the consent of the legal owner.

Provide us with your address so that we can collect the dogs as strays and you will have to inform the owners that the dogs will be at the SPCA should they want to Claim the animals back
